

i bought xm radio because i am an over the road trucker 7 days a week, 52 weeks a year, i am an owner operator with swift transportation out of memphis, tn. before xm radio came out, i have been out \$\$\$ on cd's useless amount, tax deductable of coarse, but useless. and allways getting in a middle of a storm,tornatoes,floods,etc., dangerous, liked to have been killed many times due to no radio stations i could understand,i listen to english only. sence i got xm radio, i listen to fox news,headline news, cnn news, all the music i love is on xm radio,squese,kiss,top 20, many stations, so i bought it, and i do not know how i have got by without the xm radio, like the cb is a nessesity, and so is xm. out of everything in my life i have bought, nothing compares to the service of xm radio, if other things here in the united states has the quality xm has, with the news, and music, united states would be a much better place to live, i recomend xm radio to every one i meet, because the price is right, and the service is exellent 100% GREAT! i need xm radio for my bussiness of owner operator, the fuel going up, less money made, but more work performed, but, xm always puts a smile on your face, when things seem bad. i want to say THANKS xm radio, for making my life easier and safer to work, and more pleasant, keep up the #1 work you do, nothing compares to xm radio, thanks michael junior spencer ,age 45.
